Emergency Joint Application of Teligent Services,

(Filed September 7, 2001)

**ADMINISTRATIVE LAW JUDGE'S RULING
CONSOLIDATING APPLICATION (A.) 01-08-036 AND A.01-09-018 AND
SHORTENING PROTEST PERIOD**

On August 28, 2001, Teligent Services, Inc. (TSI) filed A.01-08-036 to request authority to discontinue providing certain facilities-based services to its business customers in the Sacramento and San Francisco market areas. When TSI filed this initial application, it advised that it was working through its current bankruptcy proceeding¹ to attempt to restructure the remainder of its business.

On September 7, 2001, TSI jointly filed with TAC License Corp. (TAC License) an application seeking authorization for the assignment of all TSI's California operations, assets, associated operating authority and name to a "new" corporate entity that was created during TSI's bankruptcy proceeding.

¹ Chapter 11 Case No. 01-12974 (SMB) (Bankr. S.D.N.Y.).

A.01-09-018 seeks to validate TSI's restructuring proposal and Chapter 11 "Reemergence" plan. The joint applicants have requested expedited treatment of their request. Pursuant to Rule 44.1 of the Rules of Practice and Procedure, parties have 30 days from the date of notice in the Daily Calendar to protest or respond to an application. A.01-09-018 was noticed in the Daily Calendar on September 24, 2001.

In light of the interlinking subject matter of these two applications, it is appropriate to consolidate these proceedings. In addition, to meet TSI's request for expedited treatment of these applications, it is necessary to significantly shorten the protest and/or response period of A.01-09-018.

Accordingly, **IT IS RULED** that:

1. Application (A.) 01-08-036 and A.01-09-018 shall be consolidated for determination because of their interlinking subject matter.
2. The date for any protests and/or responses to A.01-09-018 shall be shortened from 30 days following the date of notice in the Daily Calendar to seven days from the date of this ruling, or October 5, 2001.

Dated September 28, 2001, at San Francisco, California.
